"What Can We Do: A Hierarchy of 20 Things to Resist Fascism" was first published in May 2025 on Chris Cookie's blog, *The Cookie Crumbles*.

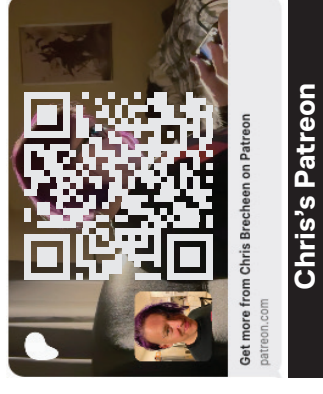

"I expected it to be a 'it'll-take-me-a-week-top's post. It turned out to need a month of hard work."

Special thanks to Marcus Woodman (<https://digitalrot.neocities.org/graphics>) who designed the broken swastika graphic featured on the cover. In his own words, he "created a few graphics that can be used by other leftists in their own art projects. no need to attribute these to me." We're happy to, Marcus.
